Continuing Education

AETA Members

The scientific program of the 2017 AETA & CETA/ACTE Joint Convention has been submitted (but not yet approved) for 17.5 hours of continuing education credit in jurisdictions that recognize AAVSB RACE (<https://www.aavsb.org/race/>) approval. Registrants will receive 3 hours for the preconference seminar and 14.5 hours for the main program (pending RACE approval). However participants should be aware that some boards have limitations on the number of hours accepted in certain categories and/or restrictions on certain methods of delivery of continuing education.

For AETA Certification purposes, there will be 10 CE credits for the 2017 AETA & CETA/ACTE Joint Convention.
