CONTINUING EDUCATION (CE)

The main scientific program of the 2018 CETA/ACTE & AETA Joint Convention (program # 183-34200) is approved by the AAVSB RACE (<https://www.aavsb.org/race/>) to offer a total of 18.50 CE Credits (16.50 max) being available to any one veterinarian: and/or 18.50 Veterinary Technician CE Credits (16.50 max).

The pre-conference seminars (program # 183-34424) is approved by the AAVSB RACE to offer a total of 6.00 CE Credits (3.00 max) being available to any one veterinarian: and/or 3.00 Veterinary Technician CE Credits (3.00 max).

This RACE approval is for the subject matter categories of: Category One: Scientific using the delivery method of Seminar/Lecture. This approval is valid in jurisdictions which recognize AAVSB RACE; however, participants are responsible for ascertaining each board's CE requirements. RACE does not "accredit" or "endorse" or "certify" any program or person, nor does RACE approval validate the content of the program.

Note: Participants should be aware that some boards have limitations on the number of credits accepted in certain categories and/or restrictions on certain methods of delivery of continuing education.

CETA/ACTE Members:

For CETA/ACTE Certification purposes, there will be 10 CE credits for the 2018 CETA/ACTE & AETA Joint Convention.

AETA Members:

For AETA Certification purposes, there will be 10 CE credits for the 2018 CETA/ACTE & AETA Joint Convention.
