VIRTUAL SESSION INFORMATION

The convention will feature pre-recorded sessions.

Pre-recorded sessions will be made available via a link on the AETA convention page at 12:01 am (CDT) on Friday, October 15. During the times on the schedule, speakers will be available to chat via Zoom about their presentations and answer any questions you may have.

All sessions will have a quiz that participants must pass with a score of at least 70% to receive continuing education (CE) credits (see below).

Please note that speakers will only be available for discussion during their scheduled time.

Register before October 15 to get access to the live virtual meeting from October 15-16 and access to the convention recordings and RACE quizzes until December 31.

Register between October 17-December 1 to get access to the convention recordings and RACE quizzes until December 31.

Please note that registration will be closed during the live virtual meeting from October 15-16.

CONTINUING EDUCATION (CE) HOURS

The scientific program of the 2021 AETA and CETA/ACTE Joint Virtual Convention has been submitted, but not yet approved, for 14.5 CE hours from RACE.

Please note that due to the nature of the virtual annual meeting, participants will earn CE credits per session that they view and quiz they pass (you must pass by answering at least 70% of the questions correctly). A quiz link will be available on the AETA convention page for each session.

NOTE: If all sessions are viewed and each quiz is passed with at least a 70% score, the total number of CE hours/credits obtained would be (pending RACE approval):

- 14.5 for AETA members (including the AETA certification session)
- 12.5 for CETA/ACTE members

For AETA and CETA/ACTE Certification purposes, the 2021 AETA & CETA/ACTE Joint Virtual Convention will equal 10 CE credits.
